

Jekyll and Hyde Rehearsal Calendar

Please note that not everyone will be called for every rehearsal. This a calendar of potential rehearsals and days that the cast could be called. Weekday rehearsals will be 6:30-8:30pm. Saturday rehearsals will be 9:30am-12:30pm. The full cast will not be called for every rehearsal until the last two weeks before the show. Everyone should plan on being called to all rehearsals for the last two weeks. I will send out specific calls with details a week in advance.
